JOURNALISTS' VIEWS ON CANDIDATES FOR APPOINTMENTS
TO BE MADE BY THE U.S. GOVERNMENT.

From: NEW YORK

To: MOSCOW

No.: 1507

23 Oct. 1944

To VICTOR.

From a chat with SERGEJ[i]
[69 groups unrecoverable]
[SW]INC[ii] assert[a] that HENDERSON[iii] will not be appointed to this post. Thomas REYNOLDS, a correspondent of the CHICAGO SUN who is on very friendly terms with CAPTAIN's [KAPITAN][iv] close adviser - ROSENBLUM[v], said that HENDERSON[iii] will be given the post of economic [D] adviser with the Military Administration of Occupied Germany. FIDDLE-DEE [SHMEL'][vi] and SWING[ii] consider the most serious candidacy in 1944 is that for the head of the ARSENAL[vii]. They and correspondent HIGHTOWER [KHUTAJER], who has connections with the BANK[viii], assert that so far the question has not been decided. Several correspondents have named General WEDEMEYER [VIDEMEYER] as commander of the occupation forces of the COUNTRY [JERANA][ix], however there is no possibility of checking the information. Apparently one [3 groups unrecovered] General CLARK, but at the instance of MURPHY [MERFI][x] his candidacy has been turned down because he is a Jew.

No. 844.
